4. **INSTRUCTION**

Instruction within the Association is regulated by a Chief Instructors' Committee. (Refer section 2, article 22.)

The Pony Club Association of New South Wales has adopted the Syllabus of Instruction (Pony Club Australia). From 1 January 2009, the Association joined the National Coaching Accreditation

Scheme — Pony Club Program, a national coaching program.
CLUB EXAMINERS: Refer Paragraphs 5 and 12.

CLUB CAPTAIN: Clubs may appoint a Club Captain who may act as Secretary/co-ordinator for the Instructors in organizing rallies and any other duties as allocated by the Senior Instructor or as decided at Instructors' meetings.

If a club does not have a Senior Instructor and only has a Club Captain then that Club Captains must as a minimum a Pony Club NSW Gear Check Certificate. *This must be implemented by the 20 November 2017*

5. NCAS PONY CLUB PROGRAM

Pony Club NSW joined the NCAS Pony Club Program from 1st January 2009. The Pony Club NCAS qualification is not based around a single course. Candidates must undertake a range of training to prepare themselves for assessment. Potential instructors may:

- work with a mentor coach
- undertake independent study
- attend courses either on a specific topic from the logbook or a longer course that covers a range or all of the topics.

Fees for these various study modes will therefore vary. Pony Club is a voluntary movement, and as such, fees should be minimised wherever possible. Mentoring of potential instructors would normally be done in conjunction with a Club rally.

There are no entry pre-requisites at Preliminary level due to the flexible delivery nature of the course. Any experienced rider or Pony Club parent is likely to have already developed foundation knowledge of the sport, riding and horse care skills through their practical experience at Pony Club. Parents and riders new to equestrian sport can participate in the first three modules of the course which will provide them with a good grounding in horse care, riding and Pony Club.

The Pony Club qualifications are sequential in nature. It is therefore a pre-requisite that participants have achieved the previous level of accreditation prior to enrolling in the next level. In addition, the following table outlines any specific pre-requisites for each level.

Accreditation Level	Pre-requisites to commence training
Preliminary PC Coach	<input type="checkbox"/> Knowledge to the standard of the Preliminary Pony Club Course Workbook <input type="checkbox"/> Financial member of a Pony Club, affiliated through their State Association with the Pony Club Australia Inc. <input type="checkbox"/> 18 years of age to qualify, but can commence training at 16 years.
Level 1 PC Coach	<input type="checkbox"/> Knowledge to the standard of the Level 1 Pony Club Course Workbook <input type="checkbox"/> Financial member of a Pony Club, affiliated through their State Association with the Pony Club Australia Inc.

The workbook is designed to follow the syllabus and course content to help the candidate prepare for assessment. It can also be used as an ongoing reference tool. The course is designed to be flexible. The candidate can work at their own pace by using the material provided, attending workshops or working with a mentor coach. Workbooks are available for purchase from the State Office.

Assessment will be undertaken by State approved assessors. Candidates are required to:

- 1 Complete the Pony Club Coach Logbook which includes signing on to the Code of Ethics and provide evidence of completing "Sports Safety & the Law" — Beginning Coaching manual (ASC)

- 2 Participate in ongoing verbal assessment of the course content
- 3 Demonstrate skills learned during practical sessions

6. NSW INSTRUCTION PROGRAM

Renewal of Instructors' certificates, under the old system, at the required dates is on the recommendation of the Club to the Zone Chief Instructor who will review the applications and may recommend renewals to the Association.

Instructors seeking renewal of certificates at the expiry of their three year term (or part thereof) are required to have attended a minimum of two full days of Instructors' school (or the equivalent) during that period including appropriate first aid lecture/s conducted by qualified persons. If an Instructor can only attend one day of school then that person must attend the first day unless prior arrangements have been made with the Zone Chief Instructor.

Club Examiners are required to attend at least one (2 day) State examiners workshop in each three year period.

A special form will be used for renewal of Instructor's and examiners certificates.

Applicants are required to sign a Statement verifying their amateur status and stating that they have not and do not intend to receive any remuneration whatsoever for the instruction of riding. (Legitimate travelling expenses excepted however on no account are these to be inflated or misrepresented.)

If an Instructor ceases to be a member of a Pony Club, is not involved in the movement or for any other reason is not considered to be suitable, their certificate may be recalled by the Zone Chief Instructor.

The panel of Level III EA Instructors will be utilised for the Olympic disciplines of Dressage, Showjumping and Eventing. The Association welcomes suggestions for Instructors in non-Olympic disciplines (i.e. Campdrafting, Mounted Games and Jumping Equitation) but must approve of these Instructors.

30.2 Regional Schools

Zones may apply to host a Junior Regional School. The schools are available in the disciplines of Dressage, Showjumping, Jumping Equitation, Mounted Games and Campdrafting. Schools are conducted by State Coaches or their nominated assistants.

- IV. be a regular Pony Club member
- V. pay a non-refundable fee at the time of nomination.

For showjumping and eventing schools riders must be graded.

30.3 Regional Schools – General Information

The following general information pertains to both Senior Regional Schools and Junior Regional Schools.

The Zone must provide and pay for the venue, catering and accommodation for the Instructor (this accommodation must be of a suitable standard with a minimum of its own bathroom and at a motel rather than hotel), and the participants must get themselves to and from the venue, and maintain themselves and their horses whilst there. The Association meets all other expenses, i.e. the Instructor/s, his/her travelling and any other administration charges provided that a minimum of 18 riders (or as determined by Council) attend.

Note: Adjoining Zones must be given the opportunity to send riders. The State Coach will inform the neighbouring Zones that a Regional School is being held and that any interested riders should apply to the host Zone. The ZCI of the host Zone shall decide who attends on the basis of standard with no preference given to the host Zone.

When a Zone has been allocated a Regional School it must send a deposit to the Association (currently \$550) for one day of the Instructors fees which is refundable upon completion of the school or may be held over for future schools throughout the same year.

If the Zone needs to cancel the school due to insufficient numbers or any other reason, at least four (4) weeks' notice must be given to the State Office in order for the Zone to receive a refund of their deposit. Any less than four weeks' notice and a refund will not be given.

No fee may be charged by the host Zone for these schools, the only exception, being a minimal fee to cover the costs of the venue hire and catering if applicable. However members accepted for Regional Schools must pay a \$50 refundable deposit to the host Zone, 50% to be refunded for each day attended. (Note: Doctor's certificate or Vet. Certificate needed for refund without attendance).

A third Regional School may be booked by Zone's for Mounted Games Schools only to encourage further participation in Mounted Games.

31. **INSTRUCTORS SCHOOLS – STATE COACHING COORDINATOR**

- a) Zones may apply to the Association Office for an Instructors school to be conducted by the State Coaching Coordinator or other approved Instructor to be arranged by the State Coaching Coordinator. The Zone shall be responsible for provision of the venue of the school and for suitable accommodation (including an ensuite) for the State approved Instructor. All other costs are met by the Association.
- b) Maximum and minimum numbers of participants at such schools shall be determined by the Council from time to time. Riders at such schools should wear full Pony Club uniform.

32. **ACCEPTABLE CONDUCT**

Zones and Clubs must ensure that Instructors and other persons conduct themselves in a fitting manner at Pony Club fixtures and in particular alcohol must not be consumed during the progress of an event, by any person involved in its conduct. This is particularly important in the case of a public liability claim. The Association have a number of policies that members should also be aware of and abide by these policies may be found on the Association website under the policy tab.

At all Pony Club activities, dogs must be either tied up or on a hand held leash at all times.

33. **RESPONSIBILITY**

It is emphasized that it is the responsibility of all members, Instructors and Senior Pony Club members, in particular those who hold Office (Club or Zone) to intervene when any Pony Club rule is being disregarded by a member. Every endeavour should be made to rectify the situation as quickly as possible. This is of paramount importance when safety is involved.

Authorised Pony Club events are only those that are documented in the Pony Club minutes and are conducted and controlled by the Pony Club subject to Pony Club rules.

All members especially Club/Zone office bearers and officials should be aware of their responsibilities under Work Health and Safety Act 2011.

34. **GYMKHANAS AND OTHER EVENTS**

No Pony Club is permitted to organize a gymkhana or other event and accept entries from *persons other than those who are members of the Pony Club Association*. At all events run in the name of Pony Club, Association rules must be observed in their entirety.

No Club or Zone or the Association is permitted to participate in the running of a hurdle or any other race at any race meeting.

Authorised Pony Club events are those that are documented in the Pony Club minutes and are conducted and controlled by the Pony Club subject to Pony Club rules.

Pony Club Association NSW recommends that horses not be loaded (with rider and tack) by more than 20% of the horses weight, at all levels.

Horses entered in jumping events in NSW (other than State Championships) must be at least four (4) years of age as at 1 August each year.

35. **INSURANCE**

Clubs are required to keep a “Club Accident Book” to record *ALL accidents* occurring at authorised Pony Club fixtures. Full details and Statements from witnesses are to be entered.

Accident/incident forms are available on the Associations website and copies should be forwarded to the State Office for retention on **all** accidents/incidents.

Clubs are required to keep a “Club Volunteers/Attendance Book” for all club rally days and events for those people who are not Pony Club members who volunteer on the day.

Voluntary Workers and Non-Riding Members will only be covered by Pony Club Personal Accident Insurance if they are unmounted, all mounted personnel must be registered with the Pony Club Association as a Riding Member.

Authorised Pony Club events are only those that are documented in the Pony Club minutes and are conducted and controlled by the Pony Club Instructor and subject to Pony Club rules.

Please note that all members must now submit their date of birth details as part of the Associations insurance liabilities. Failure to submit a correct date of birth may be considered a false statement and invalidate their insurance.

Clubs should check the Associations website for full details relating to the conditions of insurance and notify the State Office of all members 80 years of age and over for those to be listed on the Associations Liability Insurance policy. Please note that any member under the age of 2 will not be covered by the Associations policies.

36. **PARKING AREAS**

Clubs and Zones are required to provide *designated parking areas* for ALL vehicles, separate from areas where horses are ridden, tied or held. These should be clearly sign-posted and made known to all concerned.

If drivers choose to ignore the designated parking area, they do so entirely at their own risk. However this is to be discouraged as vehicles near horses and riders always increase the risk of accident.

If a horse causes damage to a car, the owner of the horse may well consider claiming on his/her own household policy, which would more than likely contain a public liability clause, as an alternative to claiming on the Pony Club policy. The number of claims made on the Pony Club policy will eventually *directly reflect* on the cost of premium per riding member and will consist of a significant excess for all claims.

Any person outside of a horse free designated area at a Pony Club event must wear covered solid footwear.

37. **OTHER CLUB POSITIONS**

Clubs shall appoint a Member Protection Officer, Child Protection Officer, Horse Welfare Officer and Safety Officer for assistance within these areas.

37.1 Horse Welfare Officer

1. Clubs and Zones are urged to appoint a responsible person to the position of Horse

Welfare Officer.

2. This person to be a member of the Club, ideally an Instructor (but this is not always possible) he/she could be a helpful parent who understands horses.

The appointee will liaise with Instructors and will be responsible to report any cause for concern to either the Chief Instructor of the Zone or the Club Senior Instructor for discussion and appropriate action, if required.

1. This Office is seen as one of vital importance in monitoring the *genuine welfare of every horse* in the Club and to ensure that the Association demonstrates to the appropriate authority, that the necessary action of correct supervision of the “welfare” of the Pony Club horses, has been undertaken.
2. It is not the intention that this Officer should usurp the authority of Instructors or be in conflict. Instructors already have a demanding responsibility in preparing lessons, conducting competitions, supervising riding classes etc. — the welfare Officer position is intended to complement and assist the Instructors panel of any Club/Zone, work in close co-operation with and relieve them of an added task.
3. It is important that the appointee is a regular attendee at Club and Zone fixtures.

It is recommended that wherever possible for all Pony Club Eventing/Horse Trials competitions a vet should be at least “on call” during the cross country phase.

37.2 Safety Officer

Clubs and Zones are encouraged to appoint a person (who attends regularly) to check that as far as possible, every reasonable precaution has been taken to ensure the safe conduct of any Pony Club fixture. The ground should be checked, precautions taken with the use of electricity etc. each Club should keep a “check list”.

There is no liability directed towards the Safety Officer, in that as far as possible, he/she has reported any possible problems to the Senior Instructor and/or Club President, who will organize any appropriate action, if required.

It is not the intention that the Safety Officer should usurp the authority of the Instructors or the Club Executive, or be in conflict. The position is intended to complement and assist, by bringing to the attention of the appropriate Officers, any situation of potential risk and therefore make every endeavour to prevent the likelihood of the possibility of accidents. The Safety Officer should be responsible for completing the annual Safety Checklist/audit as well as completing a Safety Checklist/audit for all rally days and competitions. The Safety Officer should also provide a Safety Briefing before the state of each rally day, competition etc. for further information in regard to the Work Health Act 2011 and Safety and Risk Assessment information on the Associations website. All members especially Club/Zone office bearers and officials should be aware of the Work Health and Safety Act 2011.

Refer *PARKING* section 3 paragraphs 34.

THIS SHOULD BE STRICTLY SUPERVISED AT ALL PONY CLUB FIXTURES AND MAY BE ASSIGNED AS A DUTY FOR THE SAFETY OFFICER.

37.3 Member Protection Information Officer

1. Member protection is about effective risk management of two of the biggest risks to your Club — losing participants and harming members.

2. A Member Protection Information Officer (MPIO) ensures your Club handles complaints in an appropriate and consistent manner. They do not investigate complaints but help the person with the concern to deal with what has happened and advise them of the appropriate regulations and procedures. Appointing someone in the role who is approachable, accessible and able to maintain confidentiality ensures people in your Club have someone supportive to go to with their concerns and to access information.
3. At all times the MPIO will refer to the Association policy applicable at the time.

37.4 Child Protection Officer

1. Each financial member 18 years of age and over is required to complete the PCANSW Member Protection Declaration form. The Child Protection Officer of each Club is responsible to maintain this information and ensure any members have completed this requirement.
2. Guest Instructors and volunteers (i.e. non-members) are required to complete Volunteer/Student Worker Declarations. The Child Protection Officer of each Club is responsible to maintain this information and ensure any members have completed this requirement.
3. The above records to be made available upon request by the Association or screening agency.

37.5 Complaints Handler

Any person in authority in the club or organisation who may be required to manage complaints or concerns, this may include resolution, investigation and mediation. Complaint handlers may be in the role of a president, secretary, committee member, coach or official.

37.6 Complaints Officer

Clubs are not required to appoint a Complaints Officer and many choose not to. A Complaints Officer is a nominated person within the club or association delegated to deal with complaints. People wishing to lodge a complaint would be directed to this person. A Complaints Officer is authorised to investigate and act on complaints without consulting the committee, although they will report back to the committee on a need-to-know basis about the incident, any actions they've taken and the results.

38. **SALE OF MERCHANDISE**

Pony Club members are not permitted to offer for sale at Pony Club events, horses, items of saddlery or equestrian equipment or clothing unless such items are those marketed by the Association or have been previously owned for bona fide use by a member at Pony Club events or offered for sale or sold at Pony Club canteens.

39. **CONFLICT OF RULES**

In the event of there being a conflict of rules between any rules printed in this Handbook the last printed shall prevail.

40. **CLUB OR ZONE BY-LAWS**

Clubs and Zones may create their own By-laws through correctly submitted motions at their Club

or Zone meetings.

Considering that clubs vary greatly in their demographics (membership numbers, average age of members, skill levels, geographic location, facilities etc.) it is not possible for the Association to cover every scenario. Therefore, it is recommended that Club and Zone committees formulate written policies and procedures called By-laws that suit their needs for issues not covered in the Associations handbook.

By-laws must never contravene, contradict or alter the intent, of Pony Club Association NSW rules or the Clubs Rules of Incorporation.

Issues for consideration as By-laws may be attendance requirements, uniform/attire at rallies, members arriving late and leaving early at rallies, adult supporter participation requirements for equipment/canteen, pack up and set up, ground management issues, club awards etc. Once ratified by the committee, By-laws are rules that all Club or Zone members must abide by.

Any changes to these by-laws must be communicated to all members as soon as possible along with changes to any Club or Zone by-laws. Copies of Club or Zone by-laws must be available for all members to read. The Association recommends that Clubs and Zones include a copy of their by-laws on their club notice board or website.
