

# MINIMUM EQUIPMENT REQUIREMENTS FOR STATE JUMPING EQUITATION

## Four Rings

*Per Jumping Ring (Minimum)*

- **32 wings**
- **1 set each-** start & finish flags
- **Set of numbers-** '1-10' & one 'A' and one 'B'
- **45 rails-**  
One set of 9 rails in matching colours  
Others to be in sets of 5 in matching colours.
- **Five pieces of filling-** gates/small walls/planks. Dimensions below.

|             |  |
|-------------|--|
| Planks      | 200-300mm wide (depth)                                   |
| Gates/Walls | 400-600mm tall (Otherwise they will not fit under fence) |

All of the above are bare requirements. If equipment in addition to the above is available there will be more choice available.
