This knowledge is to be available to all team members prior to departing for the venue.

Team Managers must be suitably attired and wear identifying badges at all times, (available at Association office). For distinguishing purposes it is recommended that Team Managers wear the uniform of their Zone. Team Managers are required to attend the Team Managers meeting which follows the Fitness Check. Riders must wear full Pony Club uniform in Zone or State colours (if inter-state competitors), together with regulation AS/NZ 3838, ASTM F1163, EN 1384 (manufactured prior to 2016) or VG1 approved riding helmet. Team Managers are required to bring a copy of the Horse ID to the fitness check.

COMPETITORS ARE REMINDED THAT NO HORSE MAY LEAVE THE GROUND AFTER THE FITNESS CHECK OF THE RELEVANT DISCIPLINE UNTIL THE CONCLUSION OF THAT DISCIPLINE'S FINAL PARADE WITHOUT THE PERMISSION OF THE ADVISORY COMMITTEE. Riders do not have to stay on the grounds, however horses must be stabled at the grounds for bio-security reasons. This includes the duration of time between the pre-event Fitness Check (for that discipline) until the event has been completed and presentations have been held (which follow the completion of each event).

Horses not checked the day prior (due to extenuating circumstances) will be checked between 7:00am and 7:30 am on the first day of the relevant Championship. Application for this check to be made to the Secretary by the Team Manager on the day prior to the first day of competition. Suspect or doubtful horses may be asked to present for a further inspection by a veterinarian to make the final decision as to participation.

Please note: for riders competing in more than one discipline, a Fitness Check is required on the afternoon before each Discipline. Note - a horse, which is scratched as a result of the Fitness or Vet Check at a State Championship, shall not thereafter be ridden at the venue by any person.

Swabbing of horses for illegal substances may be carried out at the championships.

Destruction of severely injured horses: If a horse is so severely injured that on humanitarian grounds it has to be destroyed, the following procedure will apply; if the owner or his authorised representative is present, their agreement will first be obtained by the official Veterinary Surgeon. If the owner or his representative is not available the Technical Delegate acting on the advice of the Official Veterinary Surgeon, may order the destruction of a horse.

A Perpetual Trophy will be awarded to the smartest Zone (riders and team managers) at the Fitness Check for each discipline Championship.

#### **19. GEAR CHECK**

Will be carried out prior to each competition, in the order of competition. Team Managers MUST be present. Riders are not at liberty to leave the enclosure after checking and prior to competing.

Whilst an official gear check will be carried out, the safety of rider's gear is ultimately the responsibility of the competitor.

#### **20. EXERCISE**

Riders may only exercise their horse in the area provided. Horses may only be exercised (this includes lunging) by their nominated rider, except in the case of riders under 13 years, where an adult member may lunge the horse with the permission of the Team Manager. Horses exercised by other than their riders (if the rider is 13 years or older) or with unacceptable gear, may be disqualified from the Championship as a whole. Approved helmets and solid footwear are to be worn at all times when lunging.

#### **21. PROFESSIONAL COACHING**

Competitors may not be coached by professional coaches (parent coaches excluded) while at the venue, at the risk of disqualification from the Championship.

#### **22. DISQUALIFICATION**

The PCA Executive, together with the Technical Delegate and Advisory Committee, has the power to disqualify any competitor for a breach of any rule, or for unacceptable behaviour.

#### **23. APPLICATION FOR EARLY LEAVE**

If, for any unforeseen circumstance, a competitor wishes to leave the venue prior to the final presentation of awards (whether they be ribbon winner or not), their Team Manager is required to make a written request to be lodged at the Secretary's office at the venue for decision by the Association Advisory Committee. Failure to obtain permission may jeopardise future entry.

#### **24. SCORING**

See relevant section of current Handbook.

In the event of a tie in points for individual champions a countback will take place to the highest number of first places then the highest number of second places and so on. If this does not decide the placing the countback will then go to the highest place in the highest ranking event. Where there is a tie in individual classes the ribbon recipient will be decided by the flip of a coin, except for tenth place in which case extra ribbons will be provided.

The final championship scores will be displayed for a minimum of 15 minutes prior to the award being made for the championship.

The time of final posting of each score sheet will appear on the bottom of the score sheet. The parade for final presentation will NOT be marshalled until the posting of the final scores is imminent. The chief marshal will liaise with the Technical Delegate to determine the appropriate time.

#### **25. PROTESTS**

Protests must be lodged in writing, by the Zone Team Manager together with a fee of \$50.00 and handed to the Technical Delegate or Chief Scorer on the ground. Protests must be made no later than one hour after the incident that gave rise to the protest, or in the case of scores, within fifteen minutes of the final championship scores being posted. Protests against the qualification of competitors or horses must be lodged not later than one hour prior to the commencement of the event.

#### **26. PRESENTATION OF AWARDS**

At the conclusion of the state championship/s, team managers must assemble ALL MEMEBERS of their teams, mounted and in **full uniform (whether ribbon winners or not) for the final parade and presentations**. The failure of any competitor to comply may well jeopardize the receiving of an award and/or future acceptance for championship competition. The only exception is when permission has been granted by the advisory committee following written application from the team manager (see 24).

#### **27. ZONE FLAG/BANNER**

Zone Team Managers are requested to bring banners for the official parade. Team Managers are to parade with teams.

Riders ride at their own risk.

NSW Road Rules apply to all venues during State Championships and must be adhered to, including the wearing of helmets while riding bicycles.

The Advisory Committee, together with the Technical Delegate and Executive of the PCA, are final arbiters in making decisions on protest or policy, and reserve the right to make any amendments, alterations or deletions to the programme as required.

#### **29. TECHNICAL DELEGATE**

The Technical Delegate will be appointed by the PCA Executive for each discipline. He/she will brief Stewards and Judges as well as supervise a briefing of Team Managers. Together with the Advisory Committee and Judge concerned will officiate in matters of dispute or official protest. His/her duties are to adjudicate on objections, to decide on eliminations and generally to ensure that the competition is run in accordance with the rules. He/she may, on his/her own initiative, "object" and take action on any matter that comes to his/her notice. In general, his/her decision is final and binding, however, matters of extreme contention must be referred to the Advisory Committee. The Technical Delegate will brief all Stewards and Judge/s prior to the competition.

#### **30. WORK HEALTH AND SAFETY**

A Safety Officer will be appointed for all State Championships, this Safety Officer will conduct a risk assessment for the event (including *where necessary*, checking that all electrical appliances and leads have been tested and tagged and that power outlets are not overloaded), give a Safety Briefing at the start of the Championship and be the first point of reference for any issues relating to Work Health and Safety. This Safety Officer will work in conjunction with the Technical Delegate to ensure the safety of all riders, officials and spectators.

Riders, officials and spectators are reminded of the responsibility to themselves and others in regard to safety and the Association requests that any issues be reported immediately. The Association reminds all members attending Pony Club Events that they must abide by the Associations rules and any direction given by the Safety Officer.

Riders/ parents/guardians are reminded that while the Association is always mindful of member's safety and will conduct Risk Assessments and uphold the Associations rules at a Championship it is the riders/ parents/guardians responsibility to decide whether to attend or not to attend an event. Riders/ parents/guardians should always undertake their own Risk Assessment before each championship. This assessment should take into consideration weather conditions, the distance to be travelled and safety of riders and horse welfare. For further information on Risk Assessments and the Associations rules please see our website [www.pcansw.org.au](http://www.pcansw.org.au)
