Membership

AFFILIATIONS

Every time a member joins your Club you must send an affiliation fee to the State Office for this person.

The fees for 2016 are: (including GST)

- **\$68.00 for a Riding Member**
- **\$40.00 for a Non-Riding member**

Please refer to the website for confirmation of current fees.

An **Affiliation Return Book** is available from the State Office free of charge. All memberships must be sent on these official forms with an accompanying cheque payment as well as the signed Risk Warning. The forms are in triplicate – **Original** to be mailed to the State office, **Pink** copy to the Zone Secretary and **Blue** copy to be retained by the Club.

MyClub Affiliations may also be completed by those Clubs with access, clubs are required to enter details onto Myclub section of website for the month and at the end of each month the office will forward an invoice for all Myclub memberships. A copy of the invoice, all Risk Warnings relating to the invoice and payment should be sent within 7 days of the Club receiving this invoice.

Members, namely those aged 25 or above, only need to join as **riding members** if there is any chance that they will actually mount a horse. (Please note that this should be for instructional purposes only)

All **Office Bearers and Instructors** must be financial members of the club.

The membership year runs from **1 January – 31 December**. Fees received during the year will only be valid until 31 December in that year. You may send fees in December for the following year, but please make a note on the form as to which year the fees are for.

Risk Warning and Privacy forms: All financial members are required to complete a Risk Warning & Privacy form at the time of joining or renewing their membership each year

Risk Warning and Privacy Booklets are available from the State Office free of charge (one for Under 18 years and one for Over 18 years). The forms are in triplicate – **Original** to be included with the members affiliation to the State Office, **Yellow** to the member and the **Blue** copy to be retained by the Club.

What happens next?

Memberships should be sent to the State Office **within 5 days** of the member joining and paying the fee to the Club. *Please note that as soon as members pay the fee to your Club and complete the paperwork they are covered by insurance, however they will need a receipt to prove this should an accident occur before the Association receives their payment.*

Once the Office processes memberships you will be sent a **receipt** showing all members paid for on that cheque. Please check this carefully to ensure that it is correct. If an incorrect amount of money is sent the receipt shows this as a Balance Owing or a Credit Amount. A letter will be sent to the Club for all balances owing and membership cards or orders will be delayed until such times as the correct amount is received in the office.

Included with the receipt will be **membership cards** for each of the financial members listed that had a completed risk warning and privacy form included with the affiliation and whom do not require a transfer. Membership cards will be issued only for those members whom the Office receives a risk warning form and transfer if applicable.

An Official transfer form (available on the Associations website) must be completed. The **original copy** is forwarded to the Secretary of the Club to which the member is transferring, a **duplicate copy** is forwarded to the Zone Secretary (for recording and sending on to the State Office) and the original Club retains a **triplicate copy**.

Administrative Matters

OFFICE BEARERS

Office Bearers forms for the following year are sent in October to all Clubs and Zones. It is vitally important that as soon as your Annual General Meeting is held the office is notified of new office bearers for the year. This allows the office to keep accurate records and to send information to the correct people. If the contact details of Office Bearers change it is important that the State Office is informed.

ORDERS

The State Office stocks a wide variety of merchandise including books, certificates, badges, emblems, check list cards, performance cards, polo shirts, caps, ties, badges, forms etc. An order form is available from the State Office or from the website under the Club and Zone Management tab. Please note, **all orders require pre-payment**. Receipts are printed for all orders and sent to the Club.

QUERIES

The office handles all queries, some of which are not really Pony Club related such as hire of ponies, learning to ride etc. People who contact the Office wishing to join a Pony Club are given the phone number of the Club Secretary closest to them. In relation to rules, the information given is taken direct from the Handbook. Anything that the Office staff cannot answer is referred to the relevant Executive member.

MEETINGS

Executive, Zone Chief Instructors and Council meetings are held three times a year - at the end of **March, July and November**. The Annual General Meeting of the Association is held in March each year. Meetings are held at a venue determined by the Council on an annual basis.

All **Notices of Motion** must be sent to the State Office at least 50 clear days prior to the meeting. Notices of Motion for the Council meeting must come from Zones and for the AGM must come from Clubs. Agendas are sent out one month prior to the meetings. Minutes are sent to each Club and Zone after the meeting. It is important to take note of Motions passed as these may affect rules, etc.

INCORPORATION

The Association strongly recommends that all Clubs and Zones become incorporated under the **Associations Incorporations Act**. The Association has prepared an Incorporation Kit that sets out the procedures and includes a copy of the forms required. This is available for purchase through the Association as per the Orders process outlined above.

Incorporation is strongly recommended to protect present and future Office Bearers, as well as members, from any personal liability claims that may arise. It may also become legally mandatory in the future.

Clubs must send in an **Annual Statement** to the Department of Fair Trading each year with payment. Confirmation must be sent to the State Office once the Annual Statement has been sent (a copy of the receipt from Department of Fair Trading is sufficient).

KEITH LOWE ASSOCIATE AWARD

The Pony Club Associate Award (Keith Lowe Award) may be awarded to an Associate Member of a Pony Club affiliated with the Pony Club Association of NSW, who has given practical assistance and outstanding service to his or her Club. The member is required to be at least 17 years and under 25 years of age.

The application form is forwarded in the April Mail out each year. Applications close 30th June. A decision is made by a Committee at the July meetings and successful applicants are notified by mail.

ADMINISTRATION WORKSHOPS

The State Association will conduct an Administration Workshop once per year within a Zone as requested at present these Workshops are FREE. All Zones may apply for such a school. Zones to then forward entries to State with a two separate **Zone cheques**. One for all entry fees made out to Pony Club Association NSW and a separate cheque for stable and camping fees to be made out to the Host Zone.

Once received by the Association, an Entries Listing is then sent to each **Zone Secretary** and **ZCI** to check for correctness. The Office does not notify each individual competitor of their acceptance, it is the responsibility of the Zone Officials to do this.

NB: All applicants **must be financial** at the time of entry. For events held early in the year such as State Camp, it is recommended that affiliations be sent to the Office in December for these people.

Scratching's

The Office **MUST** be notified of scratching's, **in writing**, by the ZCI as soon as possible. Refunds are only given where a vet certificate or doctor's certificate is supplied and are the responsibility of the host zone. Any change of horse requires a vet certificate, grading card (*for Showjumping and Eventing*) and the approval of the ZCI. Substitute horses must be owned by a member of the rider's Club. Stable/Camping fees are refundable where scratching's are notified no later than 14 days prior to the event and are the responsibility of the host zone. Entry fees will be refunded upon production of a doctors or veterinarian certificate.

INTER-STATE, NATIONAL AND INTERNATIONAL CHAMPIONSHIPS

NSW members may attend **Inter-State Championships** that are held in all disciplines. Entry forms are sent to ZCI and Zone Secretaries.

The application form is available from the Pony Club NSW website under the **Club and Zone Management** tab, then **Grants** Menu.

NCAS Coaching Scheme

A new coaching system was implemented in 2009, the National Coaching Accreditation Scheme (NCAS) for Pony Club.

Prospective coaches from the absolute beginner to the more experienced can work through the course at their own pace depending on their level of experience and access to assistance. There are no entry pre-requisites at Preliminary level due to the flexible delivery nature of the course. Any experienced rider or Pony Club parent is likely to have already developed the fundamental knowledge of the sport, riding and horse care through their practical experience at Pony Club.

It is recommended that all candidates entering at Preliminary Level check their knowledge by completing the Preliminary Pony Club Course Worksheets. Parents and riders new to equestrian sport can participate in the first three modules of the course which will provide them with a good grounding in horse care, riding and Pony Club.

The Pony Club qualifications are sequential in nature. It is therefore a pre-requisite that participants have achieved the previous level of accreditation prior to enrolling in the next level:

Accreditation Level	Pre-requisites to commence training
Preliminary PC Coach	<ul style="list-style-type: none">• Knowledge to the standard of the Preliminary Pony Club Course Workbook• Financial member of Pony Club NSW• 18 years of age to qualify, but can commence training at 16 years.
Level 1 PC Coach	<ul style="list-style-type: none">• Financial member of Pony Club NSW• Preliminary Level Pony Club Coach Accreditation• 18 years of age to qualify. Training may commence earlier.
Mounted Games PC Coach	<ul style="list-style-type: none">• Financial member of Pony Club NSW• Preliminary Pony Club Coach Accreditation and completion of Modules 1, 2 and 3 Topics 1-3 excluding jumping & flatwork of Level 1 Pony Club Coach Accreditation• 18 years of age to qualify, but can commence training at 16 years.

How do you become a coach?

- 1) Purchase the workbook and logbook from the State Office or via the website.
- 2) Complete the books in your own time.
- 3) Contact a Mentor from the Mentor list available from the Pony Club NSW website.
- 4) Arrange to meet your mentor and have them sign off on your competencies in the workbooks
- 5) Once all competencies have been sign off, contact your Zone Chief Instructor to see when the next Coach Assessment day is.

NCAS Train the Coach Schools are conducted by one of the Association's State Coaches. All Zones have the opportunity to have at least one of these schools per year. The ZCI may also conduct similar Schools.

Instructors Schools are organised by the State Coaching Director, currently Jane Frankum. Zones must apply to host such a school which is the sole responsibility of the ZCI.

Schools conducted by the State Coaches are listed on the Pony Club NSW website, www.pcansw.org.au

All queries are answered either directly or upon referral with EBM. If possible no Club is to deal direct with EBM so that the Association is familiar with the advice being given to member.

Certificates of Currency cannot be issued until the Club is financial for that year, i.e. some affiliations must have been sent in.

Certificates of Currency for Public Liability are forwarded by the State Office upon request provided clubs are financial.

Online Services

MyClub is a complete online membership management system for clubs. This facility can be used for affiliations. It allows you to enter affiliations online, as they occur, and then the Club will be issued an invoice on the 1st working day of each month for members made financial in the prior month. Clubs are required to submit payment and risk warning forms for each person listed on the invoice within seven (7) days of the date on the invoice. Access to MyClub is limited to one per club. Communication in Pony Club

Channels of communication are from:

The Office is happy to answer any administrative questions of Club officials however, questions of an **instructional nature** should be referred to the ZCI who should then contact the office if they cannot answer the question. Any grievances within Clubs must be sorted out at Club or Zone level, **the Office will NOT** become involved in individual differences. Individual members should always contact their club in the first instance with any queries or refer to the website.

Frequently Asked Questions

Who can join Pony Club and what are the different types of Memberships?

Membership is open to anyone who is not considered a 'professional' under the Association rules.

- **Junior** members are under 17 years,
- **Associate** members are 17 and up until they turn 26 years and
- **Senior** members are 26 years of age and over. (please note that all members are now required to supply Date of birth information).

Only Junior and Associate members are allowed to compete or receive instruction.

How old do I have to be?

Insurance covers members from the age of 2 however each club sets its own minimum age depending on the resources available. Only members up to the age of 26 have the opportunity to receive riding instruction and participate in competitions.

Do I have to own a horse?

Ownership of a horse or pony is not required for membership, but arrangements for obtaining a suitable mount must be made on an individual basis. Stallions and rigs are unsuitable mounts for Pony Club activities.

What if I don't have a pony, what if I have a horse?

It doesn't matter, so long as the mount is suitable according to Pony Club policy. The word "pony" in Pony Club comes from the British Pony Club and was originally used to refer to the size of the rider, not to the size of the horse

What should the rider wear?

Safety is paramount in Pony Club therefore each member is required to wear the following at all times, whilst mounted:

- Well fitting approved helmet AS/NZS 3838, ASTM F1163 or EN 1384 standard accreditation , designed for equestrian use.
- Smooth soled elastic sided riding boots

Please check for any rule changes when advising rider's of which boots/gaiters/long boots they can wear.

What do I do if the Club's affiliation or risk warning booklet has run out?

Complete a copy of the Merchandise Order Form and submit it to the State office. A new booklet will be supplied to you free of charge.

What if the club wants to conduct a trail ride or other event off the club grounds?

The club must pass a motion at the Club Meeting that such an event is to be an authorised Pony Club activity. Written notification must be submitted to the State Office that this event is to occur including the event date, venue/proposed route of trail ride and approximate number of attendees. The State Office will keep this on file in case of an insurance claim. This process needs only to be completed if the activity is going off the club's grounds.

What if a member asks for the rules of a certain competition?

Refer them to the Handbook, which is available for purchase or accessible online. The handbook outlines the rules for all events at held at Pony Club. Your club should also maintain an up to date copy of the handbook on file.

Frequently Asked Questions

Last year I could access MyClub but this year I can't, what's happened?

All clubs access to MyClub and MyWebsite expires on the 31st of January each year. You need to complete an application form each year and send it to the State Office.

Our Club is incorporated, what must we do each year?

It is a requirement of Incorporation that immediately following the AGM the Secretary must send their Annual return to the Department of Fair Trading along with payment. For more information go to www.fairtrading.nsw.gov.au or call 133 220.

We just had our AGM but our Committee hasn't changed. Do I still need to send in an Office Bearers form?

Yes. It is of vital importance that as soon as a Clubs' Annual General Meeting is held the Office is notified of the Office Bearers for the year, even if there is no change. This allows the Office to keep accurate records and to send information to the correct people. The office bearer forms for Clubs and Zones are available on the website.

We want to give new members the best start in Pony Club by giving the most helpful information possible. Is there a template we can use?

Yes. Pony Club NSW has created a document for Clubs to use as a template for an information kit they can give to new members to provide them with essential information and to welcome them to Pony Club.

The template is available on the website under the **Club & Zone Management** tab, then the **Pony Club Management Resource** menu.

The owner of the property where our Pony Club meets wants their name on the Insurance Certificate. Are they covered even if they are not specifically listed? How do we get a certificate of Insurance with their name on it?

All Land owners are covered on the Insurance Policy. If you specifically need a name listed, please contact the State Office via written request and we will organise this with the Insurance Brokers. Please allow a 2 week turnaround for this to be obtained.

GENERAL PROBLEMS ENCOUNTERED WITH ADMINISTRATION

Common mistakes clubs/zones should avoid:

- Members ringing the office direct and not going through the correct channels of communication
- Secretaries sending incorrect money with their affiliations
- Club and Zone Secretaries not distributing information to their members
- Club and Zone Secretaries not processing transfer forms
- Members not being financial for Championships, Sydney Royal etc.
- Mail being sent to the old office address
- Officials requesting orders to be sent without pre-payment
- A different name being used on the affiliation form to that on championship entry forms or Instructors applications, e.g. Robert and Bob, Patricia and Trish, William and Bill
- Clubs not sending in Office Bearers forms when their AGM is held. These must be sent in even if there is no change to the Club Executive
- Members, or Office Bearers, changing address and not notifying the State Office. As such, mail outs or the newsletter are sent to the wrong address and the Office receives complaints that it was not received
- Risk Warning & Privacy forms not being sent with affiliations
