

NCAS Pony Club Mentors

Mentors may be knowledgeable in each of the below listed topics or alternatively be restricted to one or more topics where they are deemed knowledgeable (e.g. Horse Care, Gear Checking etc.). For this purpose, mentors are to be assigned to the following categories -

All (able to mentor on all aspects)

Restricted (ZCI to nominate the subjects which the mentor is approved for) please be specific.

Important attributes for mentors to include -

Good knowledge of subject

Availability to mentor

Ability to conduct a fair and reliable assessment of the candidates ability.

The mentor is responsible for signing the candidates Log to verify the skills and knowledge of the appropriate subject prior to assessment.

The final outcome for the candidate will depend heavily on the mentor and so ZCI's have carefully chosen their mentors for this scheme.

Subject from Workbook & Coaching Log book for NCAS.
