Once riders eligibility has been confirmed by the riders Zone, riders will be accepted for the championship and can be informed of that by the zone.

Entry Fees will be determined by the breakeven amount for an event and incorporate current entry fee and administration fees. Fees for first aid, yards, camping and disciplines specific items i.e., cattle fee or cross country fee to be shown separately.

Stable/Yard and Camping fees are refundable where scratching's are notified no later than 14 days prior to the event to the State Office. Entry Fees will only be refunded upon production of a doctor's or veterinarian certificate.

Entry, Administration, Stable/Yard and Camping fees for State Championships are to be submitted at the time of entry for each competitor to the State Office.

Zones are encouraged to apply to host State Championships as early as possible so that State Sponsorship may be obtained.

Should there be less than ten (10) riders compete in any group at a State Championship points will be allocated on a pro-rata basis and if there are less than five (5) riders in the age group there will not be a Reserve Champion.

In State Championships where there are multiple grades per age group, the highest grade for that age group will be awarded State Champions and receive the relevant awards.

The winner of the lower grade/grades will be acknowledged as champion of their age/grade and receive an award stating they were the champion of that age/grade.

Bio Security at events

The Pony Club Association of NSW does not have a mandatory requirement that horses attending NSW State Championships hold a current Hendra Virus Vaccination Certificate, vaccination is however recommended for horses. If a horse is vaccinated a copy of their current certificate should accompany the application for any State Championship.

The host zone is responsible for ensuring the state bio security procedure is followed for the entire event.

All horses must use the designated entry point to the event, typically a separate laneway near the entrance of the venue, through which every float or truck must pass. At one point in the laneway, floats/trucks will be stopped and horses unloaded one at a time when directed by an official.

Mandatory Horse Health Declarations will be collected at this time, please complete the Horse Health Declaration form within three days leading up to the State Championship and present to event officials on arrival. Entry will be refused to the event until the declaration is handed to officials at point of entry

Mandatory P.I.C Number must be on the Horse Health Declaration form for all NSW and Queensland horses. A list of people traveling onto the site must be kept and checked upon entry.

All horses entering the grounds must be unloaded as directed or be unloaded in a quarantine area. Horses must be checked for their identification (either scanned if microchipped or use of a signed horse identification papers) and any visual signs of illness.

Any horses showing any signs of illness or distress must be quarantined, and not allowed onto the grounds until checked by the nominated person and given the all clear. If the nominated person is unable to make a determination in regard to the horses health a veterinarian may be called with costs to be paid by the owner and the horse will remain quarantined.

Signs of illness include running nose or discharge from the nasal area, sweating, and elevated temperature will be segregated.

If horses are not returning to the Property (P.I.C stated on Horse Health Declaration), Horse handlers will report this to the person in charge on entry.

If a late change of horse occurs, a copy of the new horse's Hendra Vaccination Certificate or Horse ID must be presented at the time of entry, with all required signatures and a Veterinary Certificate (if appropriate) for the scratched horse. A new Horse Health Declaration form will also be required.

2. GRADING AND PERFORMANCE CARDS

- a) For ALL Championships, Club Secretaries are required to forward a copy of GRADING OR PERFORMANCE CARDS to their Zone Chief Instructors with nominations, which should be retained by Zone Chief Instructors until after the nominations have been accepted and a copy forwarded to the State Office. Whenever grading cards are required for verification of performance, photocopies of both sides thereof should be submitted unless originals are specifically called for.
- b) Zone Secretaries are to verify the ages of all entrants and check that details of all horses are complete and names of all entrants appear on Zone copies of current STATE REGISTRATION LISTS, prior to forwarding entries to the Association.

In the event of any Club or Zone official not being available to fulfil the functions outlined above, the Club or Zone President (or failing him/her a vice-president) may appoint another Club or Zone official to deputise.

State Mounted Games Championships are State Games only and invitations shall not be issued to other States.

8. INTERSTATE COMPETITION

Nominations for inclusion in teams for Interstate Championships are called by the Association. Nominations must be submitted through Club and Zone Secretaries and have the approval of the nominees' Zone Chief Instructors. The Club attendance and performance requirements for entry to Interstate Championships are the same as for State Championships, riders who do not fulfil these attendance and performance requirements will not be eligible.

If a horse is substituted the Association or Technical Delegate must be advised in writing not later than 6.00 pm on the day prior to competition, by the Zone Secretary or team manager, giving the reason, together with the approval of the Zone Chief Instructor concerned and verification that the substitute horse is of championship standard. The substitute horse must be owned by the rider or a member of the rider's Club and comply with all the conditions of nomination for the championship for which it is being substituted.

Any competitor riding a horse not fulfilling the above conditions will incur disqualification.

12. SUBSTITUTION OF RIDERS

Riders cannot be substituted at any championship (exception Mounted Games Championship refer section 12 of the Handbook).

13. OWNERSHIP OF MOUNTS FOR COMPETITION

Each competitor may ride one horse only and each horse may only be ridden by one rider throughout the fixture (i.e. State competition) please see relevant disciplines for Club and Zone competitions. The horse must be the property of the competitor or a member of the Club to which the competitor belongs for a period of at least one month prior to and one month after the competition. Such proof to be supplied if requested. A breach of this rule may be penalized by disqualification for up to TWELVE MONTHS.

14. LEASING

No lease will be recognized unless it is for a period of at least SIX MONTHS. The lease must be signed by the lessee and the lessor in the presence of a Justice of the Peace who must witness the signatures and the date of signing. The lease form must then be countersigned by the Secretary of the Club to which the lessee belongs. The original lease form must then be forwarded to the Association office and a copy each to the lessee, the lessor, the Club Secretary and the Zone Secretary. (Lease agreement forms are available from the Association office.)

The leased horse cannot be used in competition until a period of SIX WEEKS has elapsed from the date the lease is signed by all parties. If the lease is renewed without a break in time, no further qualifying period is necessary. During the term of the lease the horse cannot be ridden in Pony Club competition by any person not a member of the lessee's Club.

15. HORSES OWNED IN PARTNERSHIP

Pony Club members riding horses owned in partnership with another person, who is not a member of the same Club, will be required to register their part ownership with the Association in the same manner as for a lease. The same regulations will apply. Only ONE of the part owners is permitted to ride the horse in Pony Club competition and the intending rider for this purpose should be specified on the "notification of part-ownership" form. (Forms are obtainable from the Association office.)

16. HORSE IDENTIFICATION

All horses must be microchipped to attend a State run event or championship and Horse ID forms must be forwarded to the Association office with State Championship entries. At Championships, team managers should also be in possession of copies of these identification papers describing all team horses, colours, markings and brands etc. Team Managers are required to bring a copy of each Horse ID to the fitness check. 17. PRESENTATION OF AWARDS

At the conclusion of State Championship/s, team managers assemble ALL MEMBERS of their teams, mounted and in full uniform (whether ribbon winners or not) for the final parade and presentations. The failure of any competitor to comply may well jeopardize the receiving of an award and/or future acceptance for championship competition. The only exception is when special permission has been granted by the Advisory Committee following written application from the team manager.

In lieu of a mounted parade for final presentations an unmounted assembly of all competitors (in uniform) may be organized, at the discretion of the Technical Delegate and Advisory Committee.

All (unmounted) presentations at State Championships will not go ahead unless all riders are correctly attired in either Club or Zone uniform (helmets not compulsory for unmounted presentations).

The Technical Delegate is responsible to count the number on parade from each Zone and report any discrepancies to the team manager concerned and to council, to determine the action to be taken.

20. PROTESTS AND DISPUTES

Protests against the eligibility of competitors or horses are to be lodged not later than 1 hour before the commencement of the event.

Protests and disputes at any championship shall be considered by a Committee (to be known as the disputes Committee) consisting of members of the relevant Advisory Committee and the Technical Delegate. At any hearing of a dispute a minimum of 3 members of this Committee must be present. Their decision is final.

21. GEAR INSPECTION

Competitors, prior to each phase of any competition, present themselves to the gear steward/s on State, Interstate & General Competition Rules updated July 2019 - Section 4

duty in the appointed ENCLOSED area. Unauthorized persons may not enter the gear check area or hand gear to competitors. An inspection will take place and competitor's names will be checked on a list. Following the gear check the competitors are not at liberty to leave the enclosure for any reason whatsoever until after they have competed. Any interference with or alteration to any gear after the gear check by any person could entail disqualification of competitor.

ZONE TEAM MANAGERS ARE TO ACCOMPANY RIDERS AT THE GEAR CHECK AREA and remain in attendance to ensure any recommended alterations to gear are carried out.

At all State Championships there should be a helmet parade for all competitors after the fitness check where permitted helmets will be suitably tagged as such. The tag shall be maintained in situ until after the parade.

22. SALUTE

Competitors are not permitted to remove their helmets in salute or for award giving. When saluting the judge, the rider brings the mount to a halt. Girls nod their head and raise the butt end of the whip (if a whip is carried) to their helmet. Boys raise their right hand firmly touching the peak of the helmet. Retention harness must be firmly in place whenever rider is mounted.

23. FITNESS — RIDER

24. FITNESS INSPECTION — HORSES

Appointed fitness inspectors are to be current members of the Association and approved by the Advisory Committee.

Competitors attending fitness inspections prior to any championship must attend neatly dressed in either full Pony Club uniform or a casual uniform of beige, oatmeal or fawn jodhpurs, polo shirt (with collar and sleeves) in Club, Zone or State colours, together with regulation helmet and boots. Doubtful horses will be referred to a veterinarian for final decision.

At State Championships, fitness checks are carried out in Zone groups.

A horse verified to be lame by the officiating veterinary surgeon at State Championships shall be scratched from the event by the Advisory Panel.

A horse which is scratched as a result of the Fitness or Vet Check at a State Championship shall not be thereafter ridden at the venue by any person.

Team managers must accompany competitors to fitness inspection and are responsible to ensure that all team members are checked. Team Managers are required to bring a copy of the Horse ID

to the fitness check for each of their competitors.

Failure to present may incur disqualification from the event.

When a State Championship is held out of school holiday time, the Best Presented (Fitness Check) judging will take place at the Final Parade rather than at the Fitness Check.

25. EXERCISE

Competitors may exercise their horses in the areas provided. Horses may be schooled, exercised or lunged only by their nominated riders at the venue for Zone or State competitions. All persons must wear an approved Equestrian Helmet whilst lunging a horse/pony at any Pony Club fixture. An adult member of The Pony Club Association of NSW is permitted to lunge a horse for riders under 17 years of age at all Pony Club competitions, with the permission of the Senior Instructor, Zone Chief Instructor or Team Manager. Competitors may not ride on or near any part of the cross country or Showjumping course before competition. Riders disregarding this rule may incur disqualification from the event.

It is forbidden to administer any stimulant or depressant to a horse or to cause one to be administered in any way whatsoever either before the start of a competition or on the previous day under the maximum penalty of disqualification for life of the owner, rider, horse and groom.

If during a competition or after a test which forms part of a combined training event, Showjumping event or any other event, it is necessary to treat a horse with a drug that is calming, anti-tetanic, fortifying, stimulating etc., the veterinarian appointed by the organizing Committee must be informed immediately. He/she will verify the expediency of the treatment given and then make a report to the Technical Delegate who will decide whether the horse is to be allowed to continue. All stimulating or fortifying treatment not considered necessary by the veterinarian and administered during or after a test which continues on the following day(s) results in the compulsory elimination of the horse.

If the treatment has been for colic only the veterinarian appointed to carry out the veterinary check will decide before the beginning of the next test whether the horse is in a fit State to continue or should be withdrawn.

RANDOM TESTING FOR FORBIDDEN DRUGS MAY BE CONDUCTED.

28. ADMISSION CHARGES AND ENTRY FEES

At Association, Zone and Club fixtures an admission charge to the ground may be made. Entry fees for events may be charged.

29. DISTINGUISHING SADDLE CLOTHS

Zones and Clubs are permitted to wear a distinguishing number and/or an identifying emblem on saddle cloths.

30. PRIZES

No prize money will be awarded for any Pony Club event or competition. Prizes will consist of ribbons, rosettes, suitable trophies and/or open orders.

31. ALTERATIONS

Any alterations to programs or important information will be advised by announcement. It is the responsibility of team managers to advise their team members of such changes.

32. DISQUALIFICATION FROM COMPETITION

Disqualification or elimination from a competition may result from any of the following:

- a) Actions such as cruelty, rapping or other harsh practice with a horse by a competitor.
- b) Refusal of a competitor to obey the direction of any officiating steward.
- c) If a rider continues the competition after losing his/her approved equestrian helmet they will be eliminated
- d) Abusive or profane language or bad behaviour by a competitor is not permitted under the Child Protection and Zero Tolerance Policy therefore the competitor will be eliminated.
- e) Dangerous riding.
- f) If a horse is considered lame, sick, exhausted or incapable.
- g) Misuse of whip or spur or ill-treatment of the horse.

- i) Not being ready to start when called.
- j) Any action, failure to act or behaviour considered unacceptable by the Advisory Committee.
- k) Any parent or guardian that is abusive of a judge or official may risk the elimination of their child on that day and possible future days.

At Pony Club events *conducted by agricultural show societies*, a competitor may be disqualified if the rules of the Association are broken and remain disqualified from all or some of the subsequent Pony Club events held during the fixture.

At fixtures conducted by Pony Clubs, a member who breaks the rules of the Association may be disqualified from all or some of the events, both preceding and following the misdemeanour. The Dispute Committee has the right to disqualify a competitor for any breach of rules.

33. GENERAL CHAMPIONSHIP REGULATIONS

As it is not feasible to print all rules and regulations pertaining to any competition in a championship schedule, team managers and competitors are expected to be familiar with all applicable rules and to act accordingly.

Updated rules are published in council minutes and it is the duty of Clubs to keep members informed of alterations. Team managers are to have a copy of up-to-date rules.

Available members of the Association Advisory Committee, the Association Executive and the Technical Delegate may alter or delete any part of any program or make any changes required.

Neither the organizing Committee nor the Association accepts any responsibility for any accident or illness which may befall any horse, rider, groom, spectator or any other person at any fixture organized and conducted by them.

Members disregarding any rule or regulation of the Association may place themselves, their Club and the Association at risk in regard to public liability and sports insurance coverage's.

Zones hosting a State Championship must nominate a Safety Officer for the event. This Safety Officer will work in conjunction with the Technical Delegate to oversee the safety of riders, judges, officials and spectators and ensure that a Risk Assessment is completed before the event and deliver the Safety Briefing at the start of the Championship and to the team managers meeting. Safety Officers should make themselves aware of their responsibilities under the Work Health and Safety Act 2011.

34. TEAMS AT CLUB AND ZONE COMPETITION LEVEL

In Club or Zone level competition where team events apply all riders in a team must come from one Club.

EXCEPTION: If there is a lack of riders from some Clubs to form a team it is possible for the Zone Chief Instructor to authorize scrambled teams amongst those who would otherwise not have the opportunity to take part in the event (names must be drawn from a hat). This must be strictly controlled as it is not the intention that riders who should be representing their own Club would stay out in order to ride with members of another Club and is mainly intended for small Clubs who do not have sufficient members present to form a team. These are classed as special events.

It should be clearly understood that the above ruling does not apply at agricultural shows where Pony Club team's competition takes place. At such shows all team members **MUST** belong to the same Club and be registered members of that Club and ride in approved Pony Club uniform. The rules relating to eligibility and ownership of mounts are to be strictly observed.

N.B. At the Sydney Royal, in the Zone Teams of Four competition, all team members must belong to the same Zone. Eligibility and ownership of mounts as per section 4-4.

35. ZONE TEAMS

At State Championships, all riders are eligible to be considered as members of a team for their Zone. A team consists of a minimum of 3 riders and a maximum of 4 riders with all scores to count.

EXCEPTION: In a State one day event, riders from the advanced section only are eligible for Zone teams.

36. INTERSTATE TEAMS

A State team competing in Interstate competition will comprise 4 members and will be selected on performance at the competition or in accordance with the council ruling for that particular competition. All scores to count.
