Team members should be notified by the Zone Secretary, through their Club Secretary, the name of their Team Manager for the Championship and be made aware of their responsibility to the Manager. This knowledge is to be available to all team members prior to departing for the venue.

#### 19. FITNESS CHECK

Sporting Horses will be checked for soundness on Friday 12<sup>th</sup> April (the day prior to the championship) at approximately 3:00 pm. All other discipline fitness checks will be held on the morning of competition (subject to change depending on completion and presentation times). Riders must present horses ridden. Back Numbers are to be worn (if available from previous discipline). Riders must wear full Pony Club uniform in Zone (or State colours for interstate competitors), together with regulation AS/NZ 3838, ASTM F1163, EN 1384 (manufactured prior to 2016) or VG1 approved riding helmet and boots. Team Managers are required to bring a copy of the Horse ID to the fitness check.

COMPETITORS ARE REMINDED THAT NO HORSE MAY LEAVE THE GROUND AFTER THE FITNESS CHECK OF THE RELEVANT DISCIPLINE UNTIL THE CONCLUSION OF THAT DISCIPLINE'S FINAL PRESENTATION WITHOUT THE PERMISSION OF THE TECHNICAL DELEGATE. Riders do not have to stay on the grounds for the whole duration of the combined championship – only for the duration of the discipline that they are competing in. This includes the duration of time between the pre-event Fitness Check (for that discipline) until the event has been completed and presentations have been held (which follow the completion of each event).

Sporting Horses arriving during the night ONLY will be checked between 7:00am and 7:30 am on Saturday 13<sup>th</sup> April. Application for this check to be made to the Secretary by the Team Manager on the day prior to the first day of competition.

Please note: for riders competing in the Campdrafting & Team Penning disciplines, a Fitness Check is required on the morning of the championship.

Destruction of severely injured horses: If a horse is so severely injured that on humanitarian grounds it has to be destroyed, the following procedure will apply; if the owner or his authorised representative is present this agreement will first be obtained by the official Veterinary Surgeon. If the owner or his representative is not available the Technical Delegate acting on the advice of the Official Veterinary Surgeon, may order the destruction of a horse.

#### 20. FITNESS CHECK TROPHY

A Perpetual Trophy will be awarded to the best presented Zone (riders and team managers) at the Fitness Check for each discipline Championship.

#### 21. GEAR CHECK

Will be carried out prior to each competition Team Managers MUST be present. Riders are not at liberty to leave the enclosure after checking and prior to competing.

Whilst an official gear check will be carried out, the safety of rider's gear is ultimately the responsibility of the competitor.

#### 22. EXERCISE

Competitors may only exercise their horse in area provided. Horses may only be exercised (this includes lunging) by their nominated riders, except in the case of riders under 13 years, where an adult member may lunge the horse with the permission of the Team Manager. Horses exercised by other than their riders (if the rider is 13 years or older) or with unacceptable gear, may be disqualified from the Championship as a whole. Approved helmets and solid footwear are to be worn at all times when lunging.

#### 23. PROFESSIONAL COACHING

Competitors may not be coached by professional coaches (parent coaches excluded) while at the venue, at the risk of disqualification from the Championship.

#### 24. DISQUALIFICATION

The PCA Executive, together with the Technical Delegate and Advisory Committee, has the power to disqualify any competitor for a breach of any rule, or for unacceptable behaviour.

#### 25. APPLICATION FOR EARLY LEAVE

If, for any unforeseen circumstance, a competitor wishes to leave the venue prior to the final presentation of awards (whether they be ribbon winner or not), their Team Manager is required to make a written request to be lodged at the Secretary's office at the venue for decision by the Association Executive Committee. Failure to obtain permission may jeopardise future entry.

#### 26. SCORING

Live Scoring will be available via the Pony Club NSW State Champs TeamApp throughout the Championship. The final championship scores will be displayed at the office for a minimum of 15 minutes prior to the award being made for the championship. The time of

final posting of each score sheet will appear on the bottom of the score sheet. The parade for final presentation will NOT be marshalled until the posting of the final scores is imminent. The chief marshal will liaise with the Technical Delegate to determine the appropriate time.

#### 27. PROTESTS

Protests must be lodged in writing, by the Zone Team Manager together with a fee of \$50.00 and handed to the Secretary on the ground. Protests must be made no later than one hour after the incident that gave rise to the protest, or in the case of scores, within fifteen minutes of the final championship scores being posted. Protests against the qualification of competitors or horses must be lodged not later than one hour prior to the commencement of the event.

#### 28. PRESENTATION OF AWARDS

At the conclusion of the State Championship/s, Team Managers assemble ALL MEMBERS of their teams, mounted and in **full uniform (whether ribbon winners or not) for the final parade and presentations**. The failure of any competitor to comply may well jeopardize the receiving of an award and/or future acceptance for championship competition. The only exception is when special permission has been granted by the Executive committee following written application from the team manager (see 25).

#### 29. ZONE FLAG/BANNER

Zone Team Managers are requested to bring banners for the official parade. Team Managers are to parade with teams. Riders must wear full Pony Club uniform for the parade.

#### 30. RESPONSIBILITY

Neither the Organising Committee, the Pony Club Association of NSW nor the PCA Advisory Committee accept any responsibility for accident or illness of horse, or rider, groom, spectator or any other person or damage to motor vehicle throughout the duration of the Championship. Riders ride at their own risk.

NSW Road Rules apply to all venues during State Championships and must be adhered to, including the wearing of helmets while riding bicycles.

The Advisory Committee, together with the Technical Delegate and Executive of the PCA, are final arbiters in making decisions on protest or policy, and reserve the right to make any amendments, alterations or deletions to the programme as required.

#### 31. TECHNICAL DELEGATE

The Technical Delegate will be appointed by the PCA Executive for each discipline. He/She will supervise a briefing of Team Managers and together with the Executive Committee and Judge concerned will officiate in matters of dispute or official protest. His/Her duties are to adjudicate on objections, to decide on eliminations and generally to ensure that the competition is run in accordance with the rules. He/She may replace a Line Steward, Starter or Judge, if he/she considers this is necessary. He/She may, on his/her own initiative, "object" and take action on any matter that comes to his/her notice. In general, his/her decision is final and binding, however, matters of extreme contention must be referred to the Executive Committee. The Technical Delegate will brief all Stewards, the Starter and Judge/s and Time Keepers prior to the competition.

#### 34. TIME KEEPERS (Sporting)

Each Sporting lane will be timed by one person with two stop watches and an Electronic Timing Unit will back up any manual times recorded. One watch is nominated as the primary watch and the second is a back-up watch only. Time Keepers are to be briefed by the Technical Delegate prior to the commencement of the competition. In the event of electronic timing equipment not being used, the Timers/Judges place the competitors as they cross the finish line and they must not concern themselves with infringements. The Judges/Time Keepers place all teams and record these places (in case of eliminations).

#### **LINE STEWARDS (Mounted Games)**

There must be two Line Stewards for each lane of the Mounted Games. Stewards will be briefed by the Technical Delegate prior to the commencement of the Games. Line Stewards to be selected by the Advisory Committee.

#### **INSTRUCTIONS FOR LINE STEWARDS**

1. The Line Stewards' signals are for guidance of the Technical Delegate and the Competitors. Line Stewards are briefed by the Technical Delegate and familiarised with required flag signals.
2. Line Stewards must have a thorough knowledge of the rules and have studied carefully the details of each race in the competition they are to steward. They must be over 17 years of age. Same Line Stewards should be used throughout the whole competition where possible.
3. They must attend any briefing by the Technical Delegate prior to the Games and at any other time as notified. Punctuality is essential.
4. The Line Steward's position is three or four yards beyond the finish or Changeover line and in line with the lane they are judging.
5. Line Stewards must wear coloured bibs or armbands (4" wide) for lane identification. This prevents unauthorised personnel giving signals. Bibs and/or armbands will be given out by the Technical Delegate.

6. Where possible, Line Stewards should not act in the lane of a heat or final in which their own team is competing.
7. Each Line Steward carries a flag the same colour as the lane. Any infringement of the rules must be signalled at once by raising the flag, keeping it up until the end of the race unless the infringement is corrected, when it is immediately lowered again. When a Line Steward signals an infringement, the Line Steward at the opposite end MUST also signal with their flag.
8. Line Stewards must not call back or call instructions to any competitor, but they must answer a competitor's question (as briefly as possible).
9. Line Stewards at the changeover line should ensure that competitors do not ride back down the arena until the race is over. They must stand away from the "playing area".
10. If one team's equipment is upset by another team, the nearest Line Steward of the team upset should quickly set this up again, if it is safe to do so.
11. Close concentration is necessary by Line Stewards and Officials, throughout each race. Line Stewards must be sure not to be distracted by anything - even a bad upset in another lane.
12. Competitors should be made aware of the Starters whistle in the event of a false start.

#### **COLLECTING RING STEWARD (Mounted Games & Team Sporting)**

He/she checks that items of dress and saddlery are not changed after the inspection without reference to the Technical Delegate. He/she keeps order in the Collecting Ring and gets teams ready to send them into the Arena when required. He/she should deal through Team Managers who should remain in the Collecting Ring and be given bibs, cap covers and/or arm bands to be put on team members. Team managers are also responsible for collecting the bibs, cap covers and/or arm bands immediately following a heat and returning them to the appropriate Steward.

#### **TIME KEEPERS (Mounted Games & Sporting)**

Each Mounted Games & Sporting lane will be timed by one person with two stop watches. One watch is nominated as the primary watch and the second is a back-up watch only. Time Keepers are to be located on a raised platform in line with the finishing line and on the edge of the arena. Time Keepers are to be briefed by the Technical Delegate prior to the commencement of the competition. In the event of electronic timing equipment not being used, the Timers/Judges place the competitors as they cross the finish line and they must not concern themselves with infringements. The Judges/Time Keepers place all teams and record these places (in case of eliminations).

#### 35. WORK HEALTH AND SAFETY

As part of the Associations continuous improvement process, in regard to Work Health and Safety a Safety Officer will be appointed for all State Championships, this Safety Officer will conduct a risk assessment for the event (including *where necessary*, checking that all electrical appliances and leads have been tested and tagged and that power outlets are not overloaded), give a Safety Briefing at the start of the Championship and be the first point of reference for issues relating to Work Health and Safety. This Safety Officer will work in conjunction with the Technical Delegate to ensure the safety of all riders, officials and spectators.

Riders, officials and spectators are reminded of the responsibility to themselves and others in regard to safety and requests that any issues be reported immediately. The Association reminds all members attending Pony Club Events that they must abide by the Associations rules and any direction given by the Technical Delegate, Safety Officer, members of the Advisory Committee or State Executive at State Championship events.

Riders/parents/guardians are reminded that while the Association is always mindful of member's safety and will conduct Risk Assessments and uphold the Associations rules at a Championship it is the riders/parents/guardians responsibility to decide whether to attend or not to attend an event. Riders/parents/guardians should always undertake their own Risk Assessment before each championship. This assessment should take into consideration weather conditions, the distance to be travelled and safety of riders and horse welfare. For further information on Risk Assessments and the Associations rules please see our website [www.pcansw.org.au](http://www.pcansw.org.au)

#### 36. SAFETY OFFICER

A person will be appointed by the Event Organizing Committee to prepare, distribute and implement a safety plan AND to coordinate emergency responses during a competition. This person is not a medical officer and may not participate directly in providing emergency care, but rather should arrange for and facilitate the response by appropriate personnel and then record and document any incident(s).

#### 38. CAMPING AND STABLING

<b>RULES</b>	30 head of cattle marked with coloured collars (or numbers) in sets of 3. (ie 3 red, 3 blue etc) are at the "mob" end of the arena. Teams (3 riders) attempt to cut out the assigned cattle from the mob and gather them in the "pen" at the opposite end of the arena within a 2 minute time limit. <ol style="list-style-type: none"> <li>1. The judge calls the assigned collar colour (or number) as the NOSE of the first horse crosses the start/foul line</li> <li>2. A run commences timing when the NOSE of the first of the three (3) horses crosses the start/foul line</li> <li>3. Within a two (2) minute time limit, a team (3 riders) will attempt to cut from the mob and pen three (3) head of cattle with the assigned collar colour (or number). A warning bell is issued with thirty (30) seconds remaining on the run</li> <li>4. A team may only call for time ONCE</li> <li>5. To call for time, one (1) rider ONLY must come to a STOP and STAND in the gateway of the pen – with a minimum of the horse's nose to a maximum of a vertical line at the horse's chest in the pen gate, and raise his/her hand when all or some of the assigned cattle are penned. The remaining two (2) riders must be on the pen side of the start/foul line, and ALL non-penned cattle must be on the mob side of the start/foul line</li> <li>6. A team may call for time with only one (1) or two (2) of the assigned cattle penned. This event is a live 2 runs event. Example: First run 2 head penned with a time of 1.58, Second run 2 head penned with a time of 1.47. The second run is the better of the two, see Example on next page</li> <li>7. Time cannot be called until assigned cattle are in the pen and all other cattle are on the mob side of the start/foul line. If time is called before all "spare" (including assigned cattle not being penned) are on the pen side of the start/foul line a "no-time" will be recorded</li> <li>8. No time will be awarded if incorrect assigned cattle are in the pen when time is called</li> </ol>

Team Name	1 <sup>st</sup> Run No: Head \ Time	2 <sup>nd</sup> Run No: Head \ Time	Best Run	Place
	2 1.58	2 1.47	2 1.47	3rd
	3 1.50	2 1.50	3 1.50	1st
	2 1.45	1 1.48	2 1.45	2nd

9. Any more than five (5) head of cattle at any one time on the pen side of the start/foul line will incur a “no-time” being recorded for that run. A line person will be in place to monitor the start/foul line for too many across the line
10. NO person or horse is permitted to enter the pen at any time. All removal of cattle from the pen is to be done from outside the pen. This is a WHS ruling
11. A team must stop working cattle immediately when called a “no-time” by the judge or at the 2 minute bell.
12. Any team exhibiting unnecessary rough handling or rushing into or at the mob at excessive speed, may result in disqualification at the judges decision
13. Once the three (3) riders have entered the arena and the run has commenced – where a horse is deemed out of control by the judges decision – any rider that dismounts, horse falls, rider is thrown or falls - will result in that run being terminated without a time be recorded
14. No whips may be brought into the arena. No hitting of cattle with any object is allowed. Hazing cattle with hats, reins or rope will be cause for termination of that run. Slapping of hand or rein to own leg is permitted
15. At the judges discretion, a team may be awarded a re-run if one (1) or more head of cattle is deemed unsuitable (healthwise) or escapes the arena
16. Competitors will only be called three (3) times to be present for their run. If that team does not present at the “in-gate marshall area” by the third (3rd) call, that run may be made void at the judges decision
17. Cattle may not be shouldered or pushed by either horse or rider during the run. Abuse of cattle or horses will be the cause for immediate disqualification of the run without refund of entry fee
18. When the 3 whole beasts, of your given colour, are across the centre foul line, your team are committed to those cattle. The Judge will say “Committed”. If one or more of those beasts (whole beast) go over the centre foul line it cannot be reclaimed. That lost beast then becomes part of the existing mob, known as a “lost beast”.

Rules should be read in conjunction with
