Competitors not collecting their back numbers by the specified time will automatically be scratched from all events. Competitors entered in more than 1 discipline will keep the same back number throughout the multiple disciplines.

This fee is refundable on return of the back number, providing the back number is returned in good order. Back Numbers must be returned before 5:00 pm of the final day of competition of the relevant discipline championship. Team Managers are responsible for checking condition of back numbers and returning the same. Damaged back numbers will be charged to the Zone.

12. INTER-STATE COMPETITORS

All inter-state entries are the responsibility of their own State Association. All correspondence will be forwarded to the State Secretary only. All inter-state competitors represent their State and must wear the full Pony Club uniform of their State Association. PLEASE SEE SECTION 7 OR THE SPECIFIC DISCIPLINE RULES IN THE PCANSW HANDBOOK FOR ALL GEAR REGULATIONS.

Badly fitting or unsafe saddlery, or saddles that are down on the withers/back when the rider is mounted, will result in the disqualifying of that competitor, unless the saddle can be changed to the satisfaction of the Gear Steward before the start of the competition.

Saddlery that is not allowed in the Championship must not be worn at the competition venue. Failure to comply with this rule will incur elimination. In all other things, the general rules of the Pony Club Association of NSW apply.

“The only jewellery permitted to be worn by riders when mounted are one stud per ear not exceeding 5mm in diameter and wristwatches (medical alerts are permitted). Wedding rings, if worn, must be taped.”

Riding trousers may not be worn with long boots.

Helmet checks will be conducted between 1 & 2pm on the day before the competition commences.

16. DRAW

The Draw for each event will be available at the Team Managers Meeting and on the “PONY CLUB NSW STATE CHAMPS” Team App on the day prior to the first day of competition for each Championship. Competitors failing to be ready when called may incur disqualification. Riders to compete in draw order.

17. TEAM MANAGERS RESPONSIBILITIES

A Team Manager for each age group must be nominated by the ZCI with email addresses and telephone numbers. For Team Managers duties see current PCANSW Handbook. Team Managers must be current financial and insured members of the Pony Club Association.

It is stressed that Team Managers are in charge of their team whilst ever they are on the ground, all PCANSW Rules, Policies and Procedures must be followed at all times. Please see the Association's policy documents for more details <http://www.pcansw.org.au/policies/policy-documents>

Zone Secretaries are required to supply each Team Manager with a list of members for whom they are responsible at State Championships, together with a list of scratchings, prior to departure for the Championship. Team members should be notified by the Zone Secretary, through their Club Secretary, the name of their Team Manager for the Championship and be made aware of their responsibility to the Manager. This knowledge is to be available to all team members prior to departing for the venue.

Team Managers must be suitably attired and wear identifying badges at all times, (available at Association office). For distinguishing purposes it is recommended that Team Managers wear the uniform of their Zone. Team Managers are required to attend the Team Managers meeting which follows the Fitness Check (TBA).

Back Numbers are to be worn (if available from previous discipline). Riders must wear full Pony Club uniform in Zone (or State colours for interstate competitors), together with regulation AS/NZ 3838, ASTM F1163, EN 1384 (manufactured prior to 2016) or VG1 approved riding helmet and boots. COMPETITORS ARE REMINDED THAT NO HORSE MAY LEAVE THE GROUND AFTER THE FITNESS CHECK OF THE RELEVANT DISCIPLINE UNTIL THE CONCLUSION OF THAT DISCIPLINE'S FINAL PRESENTATION WITHOUT THE PERMISSION OF THE TECHNICAL DELEGATE. Riders do not have to stay on the grounds for the whole duration of the combined championship – only for the duration of the discipline that they are competing in. This includes the duration of time between the pre-event Fitness Check (for that discipline) until the event has been completed and presentations have been held (which follow the completion of each event).

Sporting horses not checked the day prior (due to extenuating circumstances only) will be checked between 7:00am and 7:30 am on the first day of the relevant Championship. Application for this check to be made to the Secretary by the Team Manager on the day prior to the first day of competition. Suspect or doubtful horses may be asked to present for a further inspection by a veterinarian to make the final decision as to participation.

Please note: for riders competing in the Campdrafting & Team Penning disciplines, a Fitness Check is required on the morning of the championship.

Note - a horse, which is scratched as a result of the Fitness or Vet Check at a State Championship, shall not thereafter be ridden at the venue by any person.

Destruction of severely injured horses: If a horse is so severely injured that on humanitarian grounds it has to be destroyed, the following procedure will apply; if the owner or his authorised representative is present this agreement will first be obtained by the official Veterinary Surgeon. If the owner or his representative is not available the Technical Delegate acting on the advice of the Official Veterinary Surgeon, may order the destruction of a horse.

20. FITNESS CHECK TROPHY

A Perpetual Trophy will be awarded to the best presented Zone (riders and team managers) at the Fitness Check for each discipline Championship.

21. GEAR CHECK

Will be carried out prior to each competition Team Managers MUST be present. Riders are not at liberty to leave the enclosure after checking and prior to competing.

Whilst an official gear check will be carried out, the safety of rider's gear is ultimately the responsibility of the competitor.

22. EXERCISE

Competitors may exercise their horses in the areas provided. Horses may be schooled, exercised or lunged only by their nominated riders at the venue for State competitions. All persons must wear an approved Equestrian Helmet whilst lunging a horse/pony at any Pony Club fixture. An adult member of The Pony Club Association of NSW is permitted to lunge a horse for riders under 17 years of age at all Pony Club competitions, with the permission of the Senior Instructor, Zone Chief Instructor or Team Manager. Competitors may not ride on or near any part of the cross country or Showjumping course before competition. Riders disregarding this rule may incur disqualification from the event.

23. PROFESSIONAL COACHING

Competitors may not be coached by professional coaches (parent coaches excluded) while at the venue, at the risk of disqualification from the Championship.

24. DISQUALIFICATION

The Technical Delegate, as well as the Ground Committee (consisting of members of the PCANSW Executive and Advisory Committee in attendance) has the power to disqualify any competitor for a breach of any rule, or for unacceptable behaviour.

25. APPLICATION FOR EARLY LEAVE

If, for any unforeseen circumstance, a competitor wishes to leave the venue prior to the final presentation of awards (whether they be ribbon winner or not), their Team Manager is required to make a written request to be lodged at the Secretary's office at the venue for decision by the Ground Committee. Failure to obtain permission may jeopardise future entry.

26. SCORING

Live Scoring will be available via the Pony Club NSW State Champs TeamApp throughout the Championship. The final

championship scores will be displayed at the office for a minimum of 15 minutes prior to the award being made for the championship. The time of final posting of each score sheet will appear on the bottom of the score sheet. The parade for final presentation will NOT be marshalled until the posting of the final scores is imminent. The chief marshal will liaise with the Technical Delegate to determine the appropriate time.

27. PROTESTS

Protests must be lodged in writing, by the Zone Team Manager together with a fee of \$50.00 and handed to the Secretary on the ground. Protests must be made no later than one hour after the incident that gave rise to the protest, or in the case of scores, within fifteen minutes of the final championship scores being posted. Protests against the qualification of competitors or horses must be lodged not later than one hour prior to the commencement of the event.

28. PRESENTATION OF AWARDS

At the conclusion of the State Championship/s, Team Managers assemble ALL MEMBERS of their teams, mounted and in **full uniform (whether ribbon winners or not) for the final parade and presentations**. The failure of any competitor to comply may well jeopardize the receiving of an award and/or future acceptance for championship competition. The only exception is when special permission has been granted by the Ground committee following written application from the team manager (see 25).

29. ZONE FLAG/BANNER

Zone Team Managers are requested to bring banners for the official parade. Team Managers are to parade with teams. Riders must wear full Pony Club uniform for the parade.

Riders ride at their own risk.

NSW Road Rules apply to all venues during State Championships and must be adhered to, including the wearing of helmets while riding bicycles.

Technical Delegate together with Ground Committee, are final arbiters in making decisions on protest or policy, and reserve the right to make any amendments, alterations or deletions to the programme as required.

31. TECHNICAL DELEGATE

The Technical Delegate will be appointed by the PCANSW Executive for each discipline. He/She will supervise a briefing of Team Managers and together with the Ground Committee and Judge concerned will officiate in matters of dispute or official protest. His/Her duties are to adjudicate on objections, to decide on eliminations and generally to ensure that the competition is run in accordance with the rules. He/She may replace a Line Steward, Starter or Judge, if he/she considers this is necessary. He/She may, on his/her own initiative, "object" and take action on any matter that comes to his/her notice. In general, his/her decision is final and binding, however, matters of extreme contention must be referred to the Executive Committee. The Technical Delegate will brief all Stewards, the Starter and Judge/s and Time Keepers prior to the competition.

32. WORK HEALTH AND SAFETY

As part of the Associations continuous improvement process, in regard to Work Health and Safety a Safety Officer will be appointed for all State Championships, this Safety Officer will conduct a risk assessment for the event (including *where necessary*, checking that all electrical appliances and leads have been tested and tagged and that power outlets are not overloaded), give a Safety Briefing at the start of the Championship and be the first point of reference for issues relating to Work Health and Safety. This Safety Officer will work in conjunction with the Technical Delegate to ensure the safety of all riders, officials and spectators.

Riders, officials and spectators are reminded of the responsibility to themselves and others in regard to safety and requests that any issues be reported immediately. The Association reminds all members attending Pony Club Events that they must abide by the Associations rules and any direction given by the Technical Delegate, Safety Officer, members of the Advisory Committee or State Executive at State Championship events.

Riders/parents/guardians are reminded that while the Association is always mindful of member's safety and will conduct Risk Assessments and uphold the Associations rules at a Championship it is the riders/parents/guardians responsibility to decide whether to attend or not to attend an event. Riders/parents/guardians should always undertake their own Risk Assessment before each championship. This assessment should take into consideration weather conditions, the distance to be travelled and safety of riders and horse welfare. For further information on Risk Assessments and the Associations rules please see our website www.pcansw.org.au

33. SAFETY OFFICER

Yard & Camping fees are refundable ONLY where scratchings are notified no later than 14 days prior to the start of the Combined Championship (before 5pm Friday 3rd April 2020), nomination fees will only be refunded upon production of a doctors or veterinarian certificate.

35. VENUE DETAILS

From the local Zone:

Gravesend is a small country village located on the western edge of the New England slopes and the eastern edge of the vast North West plains in northern NSW. Situated on the Gwydir Highway 50km east of Moree and 25km west of Warialda.

Gravesend has a typical local country Pub which does serve meals. There is no fuel available in Gravesend – the closest would be in Warialda (25km).

The Gravesend Pony Club Grounds are situated north on the Dunrobyn Rd approximately 1.5km from the town. The Pony Club Grounds are located on private property and facilities are limited. Power will be supplied by generator for those that needed, however if you have your own we would appreciate if you could bring it. As the grounds are on private property unfortunately no dogs are allowed. We will be providing Dinner on two nights due to the minimal eating establishments available.

The Gravesend Pony Club and Zone 8 are excited about supplying the venue on behalf of PCANSW for The Combined State Championships and we would like to welcome you all to our part of the world. We look forward to your support and we will do our very best to help you any way we can.

Yours Sincerely
Julie Morgan – Zone 8 Chief Instructor

A canteen will be running every day of the Championship from approximately 7:00am until late, as well as Friday 17th April from 12 (midday).

Gravesend Pony Club will host a Welcome Dinner on Friday night, cost is \$20 per adult and \$15 per child (under 13yrs), BBQ (selection of meats) with salads and selection of sweets to choose from. In the event of equality for individual placings in teams, a count-back is conducted as under: (i) total scores; (ii) total cut outs; (iii) total horse work; (iv) total course.</p> <p>Equality of Individual places for Campdraft – in equality of score for first placing, a second round run will be conducted. “Scores” from both rounds are added together to determine the Champion. If equality still exists, cumulative cut out scores will determine placings. Competitors taking part in the second round will have precedence over those top scoring in first round and will fill the top placings.</p> <p>Count back system will apply after this to determine minor placings: (i) cut out; (ii) horse work; (iii) course.</p> <p>Judges are directed to abide by the rules as set out and refrain from altering or varying them, except under circumstances that would be exclusively in the interest of safety or adverse conditions and then ONLY IN CONJUNCTION WITH THE CHAMPIONSHIP ADVISORY COMMITTEE.</p> <p>NO WHIP OF ANY KIND MAY BE CARRIED OR USED BY A COMPETITOR IN A CAMPDRAFT.</p> <p>RE-DRAW FOR FINALISTS: At State Campdrafting Championships a re-draw for finalists will be done. In the event of there being outside scores and camp scores, the outside scores will be drawn separately and will go first.</p>

Riding Trousers may not be worn with long boots.</p>
RULES	<p>30 head of cattle marked with coloured collars (or numbers) in sets of 3. (ie 3 red, 3 blue etc) are at the "mob" end of the arena. Teams (3 riders) attempt to cut out the assigned cattle from the mob and gather them in the "pen" at the opposite end of the arena within a 2 minute time limit.</p> <ol style="list-style-type: none"> 1. The judge calls the assigned collar colour (or number) as the NOSE of the first horse crosses the start/foul line 2. A run commences timing when the NOSE of the first of the three (3) horses crosses the start/foul line 3. Within a two (2) minute time limit, a team (3 riders) will attempt to cut from the mob and pen three (3) head of cattle with the assigned collar colour (or number). A warning bell is issued with thirty (30) seconds remaining on the run 4. A team may only call for time ONCE 5. To call for time, one (1) rider ONLY must come to a STOP and STAND in the gateway of the pen – with a minimum of the horse's nose to a maximum of a vertical line at the horse's chest in the pen gate, and raise his/her hand when all or some of the assigned cattle are penned. The remaining two (2) riders must be on the pen side of the start/foul line, and ALL non-penned cattle must be on the mob side of the start/foul line 6. A team may call for time with only one (1) or two (2) of the assigned cattle penned. This event is a live 2 runs event. Example: First run 2 head penned with a time of 1.58, Second run 2 head penned with a time of 1.47. The second run is the better of the two, see Example on next page 7. Time cannot be called until assigned cattle are in the pen and all other cattle are on the mob side of the start/foul line. If time is called before all "spare" (including assigned cattle not being penned) are on the pen side of the start/foul line a "no-time" will be recorded 8. No time will be awarded if incorrect assigned cattle are in the pen when time is called

Team Name	1 st Run No: Head \ Time	2 nd Run No: Head \ Time	Best Run	Place
	2 1.58	2 1.47	2 1.47	3rd
	3 1.50	2 1.50	3 1.50	1st
	2 1.45	1 1.48	2 1.45	2nd

9. Any more than five (5) head of cattle at any one time on the pen side of the start/foul line will incur a “no-time” being recorded for that run. A line person will be in place to monitor the start/foul line for too many across the line
10. NO person or horse is permitted to enter the pen at any time. All removal of cattle from the pen is to be done from outside the pen. This is a WHS ruling
11. A team must stop working cattle immediately when called a “no-time” by the judge or at the 2 minute bell.
12. Any team exhibiting unnecessary rough handling or rushing into or at the mob at excessive speed, may result in disqualification at the judges decision
13. Once the three (3) riders have entered the arena and the run has commenced – where a horse is deemed out of control by the judges decision – any rider that dismounts, horse falls, rider is thrown or falls - will result in that run being terminated without a time be recorded
14. No whips may be brought into the arena. No hitting of cattle with any object is allowed. Hazing cattle with hats, reins or rope will be cause for termination of that run. Slapping of hand or rein to own leg is permitted
15. At the judges discretion, a team may be awarded a re-run if one (1) or more head of cattle is deemed unsuitable (healthwise) or escapes the arena
16. Competitors will only be called three (3) times to be present for their run. If that team does not present at the “in-gate marshall area” by the third (3rd) call, that run may be made void at the judges decision
17. Cattle may not be shouldered or pushed by either horse or rider during the run. Abuse of cattle or horses will be the cause for immediate disqualification of the run without refund of entry fee
18. When the 3 whole beasts, of your given colour, are across the centre foul line, your team are committed to those cattle. The Judge will say “Committed”. If one or more of those beasts (whole beast) go over the centre foul line it cannot be reclaimed. That lost beast then becomes part of the existing mob, known as a “lost beast”.
