**PCANSW MEMBER PROTECTION and CODE OF CONDUCT FOR ALL CAMP
RIDERS AND MEMBERS**

Pony Club NSW (PCANSW) is affiliated with Pony Club Australia (PCA) and is a signatory to, and has adopted in full, the PCA Member Protection Policy as amended (see pcansw.org.au/policies). State Camp is an annual event where 75 riders ranging in age from 15 to 25 years reside together for almost a full week. PCANSW policy has always excluded parents from attendance during the Camp period to prevent outside distractions during instruction and other Camp activities. As a result, responsibility for the care and welfare of all riders at Camp is assumed by the Camp officials, who are mainly members of the PCANSW Executive. This is a very serious responsibility, which requires the utmost cooperation of all persons attending State Camp. Every applicant for State Camp MUST sign the agreement to observe and comply with the Member Protection Policy through their compliance with the Camp Rules and Code of Conduct outlined on this application form (see below). Applicants are also advised to read the relevant sections of the Member Protection Policy, especially those on Victimisation, Harassment and Bullying in any and every form, as these will be considered as serious breaches of the Member Protection Policy. ANY such breaches will be dealt with under the processes and procedures outlined in the Member Protection Policy.

PCANSW also has Policies on its Code of Conduct and on Managing Breaches of the Code of Conduct, which apply to All Pony Club activities, including State Camp. A summary of the Code of Conduct is outlined below.

- 1) Follow all Pony Club rules, including gear rules;
- 2) Never argue with an official and respect their decision;
- 3) Recognise that the officials and the Mounted Games coach are volunteers who give up their time to provide their services;
- 4) Treat everyone, including ALL other camp attendees, with the utmost respect;
- 5) Control your temper. Verbal abuse of officials and sledging other riders, deliberately distracting or provoking another rider, are completely unacceptable and not permitted behaviours at all times, in any Camp activity;
- 6) Work equally hard for yourself and /or your group. Your groups performance will benefit, and so will you;
- 7) Be a good sport. Applaud all good performances whether by your group or riders in other groups;

- 8) Treat all participants in your sport as you like to be treated;
- 9) Do not bully or take advantage of another rider;
- 10) Cooperate with your instructor, teammates and officials. Without them there would be no camp;
- 11) Respect the rights, dignity and worth of all participants regardless of their gender, ability, cultural background or religion;
- 12) Do not consume alcohol or drugs before, or during camp;
- 13) Thank the instructors and officials at the end of the session/day;
- 14) Respect the talent, potential and development of fellow riders;
- 15) Care for and respect the equipment provided at all times;
- 16) Adhere to all the Associations policies and procedures;
- 17) Do not be late to activities, being late is a show of disrespect to all the other people who you keep waiting;

I understand that in the event that there is a complaint against myself OR my child/ward if under 18 (cross out incorrect option) in relation to a possible breach of the Camp Rules, the Code of Conduct and the NSWPCA Member Protection Policy, I give permission for myself OR my child/ward if under 18 (cross out incorrect option) to be interviewed by an appointed panel of two (2) Camp officials who are members of the PCANSW Executive Committee as part of the investigation process under the PCANSW Member Protection Policy. I accept and agree that if a breach is found it will be dealt with under the processes and procedures of the PCANSW Member Protection Policy. The panel will report its findings to a meeting of those members of the Executive Committee officiating at the Camp and convened as soon as possible after the interview concludes. I /my child/ward if under 18 (cross out incorrect option) understand that a serious breach could mean immediate expulsion from the State Camp.
