Saddlery that is not allowed in the Championship must not be worn at the competition venue. Failure to comply with this rule will incur elimination. In all other things, the general rules of the Pony Club Association of NSW apply.

Zone Secretaries are required to supply each Team Manager with a list of members for whom they are responsible at State Championships, together with a list of scratching's, prior to departure for the Championship. Team members should be notified by the Zone Secretary, through their Club Secretary, the name of their Team Manager for the Championship and be made aware of their responsibility to the Manager. This knowledge is to be available to all team members prior to departing for the venue.

Team Managers must always be suitably attired and wear identifying badges, (available at Association office). This includes the duration of time between the pre-event Fitness Check (for that discipline) until the event has been completed and presentations have been held (which follow the completion of each event).

Sporting Horses arriving during the night ONLY will be checked between 7:00am and 7:30 am on Saturday 9th April, in extenuating circumstances. Application for this check to be made to the Secretary by the Team Manager on the day prior to the first day of competition.

The time of final posting of each score sheet will appear on the bottom of the score sheet. The parade for final presentation will NOT be

The only exception is when special permission has been granted by the Executive committee following written application from the team manager (see 25).

27. ZONE FLAG/BANNER

Zone Team Managers are requested to bring banners for the official parade. Team Managers are to parade with teams. Riders must wear full Pony Club uniform for the parade.

Where the term "score" is used, it refers to the marks awarded by the judge. The Championship Zone and State Campdraft team will be the team with the highest score. In the event of equality for individual placings in teams, a count-back is conducted as under: (i) total scores; (ii) total cut outs; (iii) total horse work; (iv) total course. Equality of Individual places for Campdraft – in equality of score for first placing, a second round run will be conducted. "Scores" from both rounds are added together to determine the Champion. If equality still exists, cumulative cut out scores will determine placings. Competitors taking part in the second round will have precedence over those top scoring in first round and will fill the top placings. Count back system will apply after this to determine minor placings: (i) cut out; (ii) horse work; (iii) course. Judges are directed to abide by the rules as set out and refrain from altering or varying them, except under circumstances that would be exclusively in the interest of safety or adverse conditions and then ONLY IN CONJUNCTION WITH THE CHAMPIONSHIP ADVISORY COMMITTEE. NO WHIP OF ANY KIND MAY BE CARRIED OR USED BY A COMPETITOR IN A CAMPDRAFT. <u>RE-DRAW FOR FINALISTS:</u> At State Campdrafting Championships a re-draw for finalists will be done. In the event of there being outside scores and camp scores, the outside scores will be drawn separately and will go first.

RULES	30 head of cattle marked with coloured collars (or numbers) in sets of 3. (ie 3 red, 3 blue etc) are at the "mob" end of the arena. Teams (3 riders) attempt to cut out the assigned cattle from the mob and gather them in the "pen" at the opposite end of the arena within a 2 minute time limit. <ol style="list-style-type: none"> 1. The judge calls the assigned collar colour (or number) as the NOSE of the first horse crosses the start/foul line 2. A run commences timing when the NOSE of the first of the three (3) horses crosses the start/foul line 3. Within a two (2) minute time limit, a team (3 riders) will attempt to cut from the mob and pen three (3) head of cattle with the assigned collar colour (or number). A warning bell is issued with thirty (30) seconds remaining on the run 4. A team may only call for time ONCE 5. To call for time, one (1) rider ONLY must come to a STOP and STAND in the gateway of the pen – with a minimum of the horse's nose to a maximum of a vertical line at the horse's chest in the pen gate and raise his/her hand when all or some of the assigned cattle are penned. The remaining two (2) riders must be on the pen side of the start/foul line, and ALL non-penned cattle must be on the mob side of the start/foul line 6. A team may call for time with only one (1) or two (2) of the assigned cattle penned. This event is a live 2 runs event. Example: First run 2 head penned with a time of 1.58, Second run 2 head penned with a time of 1.47. The second run is the better of the two, see Example on next page 7. Time cannot be called until assigned cattle are in the pen and all other cattle are on the mob side of the start/foul line. If time is called before all "spare" (including assigned cattle not being penned) are on the pen side of the start/foul line a "no-time" will be recorded 8. No time will be awarded if incorrect assigned cattle are in the pen when time is called

Team Name	1 st Run No: Head \ Time	2 nd Run No: Head \ Time	Best Run	Place
	2 1.58	2 1.47	2 1.47	3rd
	3 1.50	2 1.50	3 1.50	1st
	2 1.45	1 1.48	2 1.45	2nd

9. Any more than five (5) head of cattle at any one time on the pen side of the start/foul line will incur a “no-time” being recorded for that run. A line person will be in place to monitor the start/foul line for too many across the line
10. NO person or horse is permitted to enter the pen at any time. All removal of cattle from the pen is to be done from outside the pen. This is a WHS ruling
11. A team must stop working cattle immediately when called a “no-time” by the judge or at the 2 minute bell.
12. Any team exhibiting unnecessary rough handling or rushing into or at the mob at excessive speed, may result in disqualification at the judges decision
13. Once the three (3) riders have entered the arena and the run has commenced – where a horse is deemed out of control by the judges decision – any rider that dismounts, horse falls, rider is thrown or falls - will result in that run being terminated without a time be recorded
14. No whips may be brought into the arena. No hitting of cattle with any object is allowed. Hazing cattle with hats, reins or rope will be cause for termination of that run. Slapping of hand or rein to own leg is permitted
15. At the judges discretion, a team may be awarded a re-run if one (1) or more head of cattle is deemed unsuitable (Healthwise) or escapes the arena
16. Competitors will only be called three (3) times to be present for their run. If that team does not present at the “in-gate Marshall area” by the third (3rd) call, that run may be made void at the judge’s decision
17. Cattle may not be shouldered or pushed by either horse or rider during the run. Abuse of cattle or horses will be the cause for immediate disqualification of the run without refund of entry fee
18. When the 3 whole beasts of your given colour, are across the centre foul line, your team are committed to those cattle. The Judge will say “Committed”. If one or more of those beasts (whole beast) go over the centre foul line it cannot be reclaimed. That lost beast then becomes part of the existing mob, known as a “lost beast”.
