INDIVIDUAL TESTS — In the event of a tie, a count back in that particular test will determine the placing's. The count back is from the last allocated mark in the collective marks and so on back through the test. AGE CHAMPIONSHIP — In the event of a tie a count back will be made on the higher ranking test. The count back will commence with the total of this test (or in the case of two judges their combined total divided by two). If the marks remain equal a count back is then taken from the last collective mark awarded and so on back through the test.
